Play in your own team of 4 players (great for client entertainment etc).

Prizes for teams, calculated on using best 3 individual stableford scores in each team
Prizes for individuals, calculated on best / worst (and/or "other") individual scores or performance

Prize Giving each night. Catering and Bar Facilities will be open for business after each round.

TECHNICAL INFORMATION:

Golf handicaps will be adjusted weekly

i.e. 18 stableford points & no ringers	no change
19 stableford points & no ringers	cut 1 shot
20 stableford points & no ringers	cut 2 shots
and so on...	

Moving the other way.....

16 stableford points & no ringers	out by 1 shot
14 stableford points & no ringers	out by 2 shots
12 stableford points & no ringers	out by 3 shots
and so on	

For handicap adjustment purposes only, "ringers" are counted as 1 point.

i.e. 12 stableford points with 2 ringers will be used in the handicap adjustment calculation as if it were 14 stableford points & no ringers

Golfers without an official NZGA handicap start with a maximum handicap of 24 for men and 30 for women, or, if a 2017 scoring history is available, a starting handicap will be calculated to reflect the golfer's true potential.
